Dear Colonel Cappalletti:

It has been necessary for us to change the date of our next training class in the Intelligence Subject Code. On 29 June I wrote you that the dates would be 5-30 October 1959. The revised dates will be 19 October - 13 November inclusive.

Please advise us approximately by 1 September the names and certification of security clearances of the 3 members of your staff who will attend the course.
